**THE ADOPT A STREAM PLEDGE**

As an Adopt a Stream Team member, I promise to do the following:

- Adopt the minimum of one-quarter mile shoreline for a period of two years.
- Complete at least one clean-up per year.
- Conduct at least one safety meeting per year, prior to the clean up event.
- Fill out a Stream Clean up Notification Form in advance of the event (online & easy!).
- Submit volunteer sign-in sheets, safety liability release forms, and an activity report after the clean up event.
- Remember that I live in a watershed and anything I do in that watershed can affect a stream positively or negatively.
- Conduct myself in a professional manner so that my actions do not affect negatively on my Team, other Adopt a Stream Teams, the Adopt a Stream program or the Metro Waste Authority as a whole.
- Respect the property rights of private landowners and always ask permission before entering private land.
- Report my Team's activities so that my efforts can be included with all other Adopt a Stream Team activities to show that we are making a difference locally and globally.
- I agree to indemnify and hold harmless the Iowa Adopt a Stream sponsors, officer, agents, and assigns from any and all liability for claims, demands, and actions from any and all volunteer activities in which I or my Team group may participate.
